

Appendix K: Ability to Serve Letter from Fire District

April 23, 2001

Robert J. Hoe, Consultant
Jaeger Engineering Inc
3347 Industrial Ct. Sta. J
San Diego CA 92121

SUBJECT: Second power generating unit at Albany street

It is the position of Chula Vista Fire Department, that we will be able to provide fire protection for the additional power plant on Albany St. The current new water system provided should be ample protection for the additional power generating plant.

If you have any further questions or comments, please call.
